Bureau of Procurement
Telephone: 717.787.5733

This document summarizes the changes and/or corrections which have been made to the Procurement Handbook on November 8, 2024.

Version November 8, 2024

| Part | Chapter | Title | Summary of Changes |
|------|---------|-------------------------------|---|
| I | 06 | Methods of Awarding Contracts | Extensive revisions and updates were made to this chapter. |
| I | 14 | Contractor Responsibility | The only change at this time is the removal of the reference to the old Small Diverse Business scoring. |
| I | 22 | Green Procurement | Significant changes have been made to the chapter to update definitions, titles, and processes. |
| IV | 15 | Job Order Contracting Program | Significant changes have been made to the chapter to update the program for the current process. |
