To register, visit [www.GovPlanet.com/muni](http://www.GovPlanet.com/muni) and click "Sign Up"

The State Surplus Property Program is offering off-road equipment, dump trucks and other items to municipalities before being offered to the general public for sale. Municipalities can register with Gov Planet to view property available, receive notices of up-coming municipal sales, and to bid on property currently available at [www.GovPlanet.com/muni](http://www.GovPlanet.com/muni) and click "Sign Up" , with our on-line auctioneer. For additional information, or to register your municipality, contact customer service at 1-844-225-8799, [CustomerService@GovPlanet.com](mailto:CustomerService@GovPlanet.com)

- This is a great opportunity to obtain surplus PENNDOT heavy equipment prior to a public sale.
- This is an online auction.
- Once you have registered, Gov Planet will need to review your registration and grant the appropriate access into the private site.
- Once your registration has been verified and you have been granted access to the site, you can view the available items once they are posted.
- Inspections by appointment only.
